Approval (Revised Version)

Note Regarding Resumption of All Human Subjects Protocols

On July 6, 2020, the Larner College of Medicine (LCOM) routed a [notice](#) with updates and requirements to proceed with all remaining clinical research activities and the Vice President for Research routed a [notice](#) specific to research activities for non-College of Medicine Departments. Even though the IRB has approved this submission, it is your responsibility to be in compliance with the notice that is applicable to you prior to the resumption of human subjects research and throughout your continuing research activities. Please note that changing COVID-19 risk conditions **may require changes to in person research activities on short notice.**
