MEMORANDUM

TO: Thomas A Golden, Jr, City Manager 

FROM: Peter Faticanti, Recreation Division Program Director/Planner

CC: Lisa Golden, Director of Health and Human Services

DATE: March 27, 2023

Subject: Motion Response: 4/4/2023 C. Gitschier Request the Manager report on all paid invoices since Myrec was established for Parks and Facilities Rentals; the Group who paid the Funds, The Date of the Rental and the Date of Payment of Rentals

MyRec was first used starting in August 2016 for the public to view availability of fields online. The Recreation office started using the website for the public to make requests with the new permitting season in January 2017. Enclosed is an outline of all paid fees that were made online during that time for Park and Facility Rentals. The report cannot pull the event of the permit as the permit fee paid may represent multiple dates if made in a lump sum payment. The total amount of Park and Facility revenue was \$310,864.47
