

COMMONWEALTH OF MASSACHUSETTS

CITY OF LOWELL

In City Council

ORDINANCE

An Ordinance Amending "The Code of Ordinances City of Lowell, Massachusetts" With Respect to various articles in Chapter 266 as they relate to parking rates and fines: Article VII Entitled, "Parking Meters"; Article IX Entitled "Public Off-Street Parking Areas"; and Article XI entitled "Miscellaneous Parking Fines".

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF LOWELL, as follows:

"The Code for the City of Lowell," hereinafter called the "Code", adopted by the City Council on December 23, 2008, is hereby amended with respect to Chapter 266 thereof, by amending certain sections relating to parking rates and or fines.

It is recommended to update some Parking Rates and Fines in the Parking Department.

1. **§266-90. Parking meter rate.**

A. Notwithstanding anything in this Article VII to the contrary, the parking meter rate for all parking meters in all areas of the City is \$0.30 for each 12 minutes and \$1.50 for each hour is hereby amended to read as follows:

A. Notwithstanding anything in this Article VII to the contrary, the parking meter rate in the City of Lowell is hereby established according to the following levels of demand:

High Demand Zones – the parking meter rate for all parking spaces in high demand zones is \$0.40 for each 12 minutes and \$2.00 for each hour.

Moderate Demand Zones – the parking meter rate for all parking spaces in moderate demand zones is \$0.30 for each 12 minutes and \$1.50 for each hour.

Low Demand Zones – the parking meter rate for all parking spaces in low demand zones if \$0.20 for each 12 minutes and \$1.00 for each hour.

The relative level of demand zone for a particular parking space may be determined by the Parking Director based on an examination of the parking data from the kiosk computer system for a period of at least three months.

If, during the examination period, the level of demand in a particular space or block of spaces exceeds 85%, the Parking Director may, upon approval by the City Manager, designate said spaces as “**High Demand Zones**”.

If, during the examination period, the level of demand in a particular space or block of spaces is below 15%, the Parking Director may, upon approval by the City Manager, designate said spaces as “**Low Demand Zones**”.

In any zone within the Central Business District, the Parking Director, may with the approval of the City Manager, grant a fifteen (15) minute grace period, in an effort to promote economic development.
