

Review of Utility Company Request for New Conduit/Pole Location

Applicant Information

Project Address

Utility
(Select one) **Electric** ▼

Morse St from Doane St to End

Reason

National Grid is upgrading the electrical service to the Lowell Housing Authority property. As part of the upgrade they need to move the transformers from behind the building closer to Morse St. As a result they are petitioning to run the conduit within the Morse St.

Date Submitted 5/22/2023

Review done by Joseph Cady ▼

Sidewalk Material **Concrete** ▼

Note: Sidewalk material to be replaced in kind (Concrete in full panels only)

Are Sidewalk Vaults present? YES NO

Is Work on Street under a Paving Moratorium? YES NO

Is this location within the Flood Plain? YES NO

Are ADA requirements being met? YES NO

Comments

The installation of the conduit will require the replacement of concrete sidewalks along Morse St that are impacted as a result of the construction.

Replace concrete sidewalk.
