SUBJECT: MOTION RESPONSE: 9/1 C. Jenness – Req. City Mgr. Have The Proper Department Develop And Implement Signage Along The Riverwalk Noting Prohibition Of Motorized Vehicles.

The Lowell Police Department sign shop will identify the access points to the riverwalk and place appropriate signage noting the prohibition of motorized vehicles which was similarly done on the walkway behind the Tsongas Center. By focusing on the access points to the riverwalk, the hope is that excess signage will not detract from the natural beauty and landscape of the riverwalk while still providing the requisite notice for enforcement. Based on this approach, it is anticipated approximately six signs will be needed and will take approximately a week to manufacture and install.
