Re: Motion Responses –Emergency Licenses
Date: September 13, 2023

[By Jackie Doherty]: Beginning with this fiscal year (July 1, 2023), request the Superintendent provide the committee with ongoing updates with explanations re positions being filled with people who have emergency or temporary licenses rather than the full license required in the job description.

Beginning with the Personnel report to be completed for the next School Committee meeting, I will include positions which have been filled with personnel with emergency or temporary licenses along with the hiring official's rationale for the hire.
