Re: September School Assignment Update

As of September 14, there are 14,454 students enrolled in Lowell Public Schools.

Since September 1, the FRC has placed 190 new students. Of these students, there are 74 who are awaiting medical clearance in order to attend school. Additionally, 99 applicants are currently in the review process.

The FRC will continue to work with schools and families to ensure as many students as possible are able to gain medical-clearance leading up to the October 1 student reporting deadline.
