Ref: 7/11/2023 - MOTION by C. Robinson - Req. Mayor Create A Special Event Sub Committee

Mr. Clerk,

Pursuant to Rule 37 of the *Rules of the Lowell City Council*, I am notifying you of the creation of the Special Events Sub-Committee for the 2022-2023 City Council Term. Kindly inform the chair and members, named in the copy line of this letter, as well as the rest of the Council of the newly established body.

Through the creation of this new subcommittee, it is my hope that the City of Lowell will be able to increase our support for special events throughout the city. Lowell has a rich history of diverse culture and through the creation of this body, we only hope to expand on the current events that the city has to offer. In the spirit of collaboration and inclusion, the mission of this new body will aim to promote and enhance our current events as well as hopefully expand the number of events the city has to offer. Another positive for creating this new committee will be to increase the city's footprint in bringing in new and diverse residents. By bring in new citizens, this will also increase our downtown coordinator and promote economic development.

Special events are something that this City Council has strived to promote and by forming this body, we hope the tradition continues.

Sincerely,

Sokhary Chau
City Mayor
