RE: Donation of AED Machines and Cabinets from Audrey Keenan, President of the Adam Keenan Foundation

Please be advised that the Adam Keenan Foundation, Inc., which is located in Lowell, has donated five (5) Zoll AED Plus machines and cabinets to the City. The Foundation works to ensure that athletic fields and public places throughout the Merrimack Valley have at least 1 AED on site and provides training for the AED's and CPR to the coaches and interested parents. In the past, the Foundation has donated AED machines to the Pawtucketville Youth Association to place AED's at LeBlanc Park, Montbleau Field, Father Maguire Park and Campbell Fields in honor of Adam Keenan, who passed away of a heart attack while playing baseball for UMass Lowell. I am requesting that this gift be accepted by the City.

These machines will come with the storage cabinet, supplies, and a one year service/maintenance agreement.

This donation will allow placement of AED's at the concession stands at the following locations:

Shedd Park  
Loucraft Field  
Finn Field  
McPherson Field  
Callery Park

The devices will be stored at the Health Department in the off season and receive annual maintenance.
