REFERENCE: OVERHANGING SIGN – 76/78 MERRIMACK STREET

Dear Mr. Geary:

I am seeking City Council approval to install an overhanging sign for Bar 74 located at 76-78 Merrimack Street. I understand that City Council approval is required as the sign overhangs a public way and that insurance is also required. The attached sign design has been approved by the Historic Board and your assistance in placing this on the City Council's next agenda to start this process would be much appreciated.

Thank you for your assistance in this matter and if you have any questions, please do not hesitate to contact me at (914) 621-2381.

Sincerely,

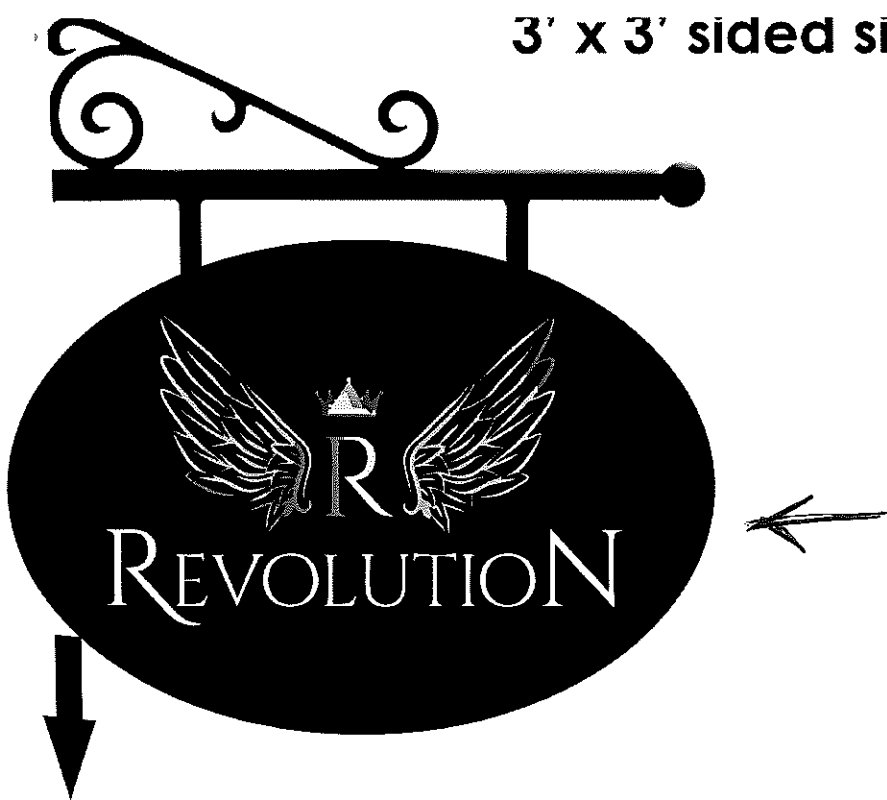

Lauren DiSalvo
