Good Day,

Recently Lawrence Street was repaved and sidewalks were done. Since then, parking was changed from one side of the street to the other. My father, Hildalberto Mendonca, owns 310 to 322 Lawrence Street. We have had a few tenants reporting difficulty putting their trash out on Fridays because of the new parking. Last week a trash barrel was missed because they could not get to it.

We are hoping to get a "No Parking at any time, car will be towed" sign from the city to put in front of 310 Lawrence Street. We need something so that this does not continue to happen. It would consist of just one parking spot from the driveway to the fire hydrant. Please see picture. Please feel free to contact me, Alice Realejo @978 726-1559 with questions or concerns.

Thank you,
