Petition of:

National Grid
775 Dutton St.
Lowell, Ma. 01854

For the request to relocate our gas pressure regulator station in the public right of way in sidewalk off Father Morissette Boulevard.

TO: Lowell City Clerks Office.

Respectfully represents the NATIONAL GRID of 775 Dutton Street, Lowell, Massachusetts, that it desires to replace our existing gas pressure regulator station from its existing location on the corner of Pawtucket St and Father Morissette Boulevard to a new location in sidewalk off Father Morissette Boulevard. This would place the new station as shown in the south sidewalk going east on Father Morissette Boulevard including the necessary sustaining and protecting fixtures, under and across the public way hereinafter named.

Wherefore it prays that after due notice and hearing as provided by law, it be granted permission to excavate the public right of way to run and maintain a gas pressure regulator station, together with such sustaining and protecting fixtures as it may find necessary for the safe running operation of our underground gas structure, said gas pressure regulator station to be located substantially in accordance with the plan filed herewith marked –“National Grid Gas Regulator Station Replacement Station # 2590 from corner of Pawtucket St and Father Morissette Boulevard to a new location in sidewalk off Father Morissette Boulevard. Lowell, Ma.”

Location approximately as shown on plan attached
