RE: Council Motion of 7.1 4/25/17 C Leahy

Req. City Mgr. have DPW inspect Butman Road from Hovey Street to Rogers Street for the purpose of clean-up of the road and sidewalks; including trimming back of any trees that may need it.

The City of Lowell Department of Public Works dispatched members of the Street Division to address any issues on Butman Road from Hovey Street to Rogers Street. Prior to Memorial Day, the work completed included tree trimming, brush cutting, street sweeping, and some minor repair to the sidewalk/street in the general area.

We will continue to monitor this area in order to dispatch the necessary crew and equipment to keep this area clear.

Feel welcome to contact me with any further questions on this matter.
