RE: Council Motion of 9.10 5/23/17 C. Belanger/C. Samaras

Req. City Mgr. have proper department work with the landlord of the building housing Ray Robinson Restaurant to eliminate graffiti on the site.

The City of Lowell Department of Public Works dispatched a small graffiti removal team on May 20th to address all issues at the Ray Robinson Restaurant. The crew removed the graffiti on the windows and exterior walls, as needed. We have also included this location to monitor for any follow up visits should the need arise.

Our office has received feedback from the landlord that he was very satisfied with our response to his requests.

Feel welcome to contact me with any questions you may have on this matter.
