RE: Council Motion of 8.3 6/27/17 C Leary/C. Leahy

Req. City Council Work with Parks Commission to Dedicate a Monument at Tyler Park in the name of Walter Bayliss

The City of Lowell Department of Public Works has been tasked to facilitate the dedication of a monument in honor of Walter Bayliss at Tyler Park. The City Council sent this to the Board of Parks, where it received unanimous approval. The Department of Public Works has already reached out to the Neighborhood Group, the Historic Society, and other interested parties in an effort to determine the proper monument and placement of the memorial.

The location of the monument will comply with the rules and regulations of Tyler Park and the Olmstead requirements. A formal dedication is planned for the early fall of 2017.

Feel welcome to contact me with any further questions you may have on this matter.
