

Review of Utility Company Request for New Conduit/Pole Location

Applicant Information

Project Address

Utility
(Select one) Electric

Quebec St, west side 83 feet north of Blossom St

Reason National Grid needs to upgrade pole mounted utility lines from Foundry St to the sub-station on Quebec St. These lines are on a property for which they don't have an easement. This Grant of Location is part of a project that will allow NGrid to move the lines underground.
