Dear Andrew:

We are delighted to enclose a check for \$75,000 to Lowell Public Schools, representing the 2024 disbursement from the grant awarded by Cummings Foundation, Inc. for the Department of Mental Health/SEL and Behavior at the Lowell Public Schools.

If this is the first installment on a new grant, a copy of your fully executed grant agreement will be available shortly via the Foundation's online portal. Subsequent installments, if applicable, will be paid on or about June 30 of each year due, provided that any required impact reports have been completed and approved.

We look forward to learning about your grant-funded activities through the required online impact report due April 15, 2025 (or February 28 for organizations receiving their final grant installments in 2024). We will email you a link with further instructions approximately two months prior to the due date. If you do not receive this email, it is your responsibility to contact us (after first checking your spam folder for an email from administrator@grantinterface.com).
