RE: *Response to Motion: Park Ave. East*

The following is a response to a motion by David Conway:

Ask the superintendent to meet with the mayor and the appropriate department to explore safety measures for Park Ave East. The street connects between the Pine Arts school, Moody school, Shedd Park and Fort Hill Park. And further replace the crossing sign on the corner of Andover Street and Douglas Road.

Following discussions with Mayor Rourke, and City of Lowell Transportation Engineer, Elizabeth Oltman, a 25 mph speed limit sign for Park Ave. East has been ordered from the LPD sign shop. It has also been determined that the road would be eligible for further, more effective speed reduction methods that will be available in the future.

Additionally the crosswalk sign was replaced at Andover Street and Douglas Road.
