Re: Response to motion-related: Handicap parking at McAuliffe School

[Motion by Eileen DelRossi]: Request the interim superintendent to work with the proper department to highlight the white lines for handicap parking, as well as, remove the overgrowth of trees covering the handicap sign at the McAuliffe School

The Safety Coordinator has contacted the Department of Public Works and the Director of facilities regarding this request. The original request was completed on the right-hand side of the handicap parking. The left-hand side is slated to be completed as requested by the start of the school year.
