RE: Request for Home Education

The following parents/guardians seek permission to home education their children:

Juan Soto

Jennifer Grisales

Phommavong Xayasane

Under General Laws Chapter 76, Section 1, Home education is constitutionally permissible. Therefore, I recommend approval of this request.

If granted, the number of families approved by the Lowell School Committee to home school will total **127**, and the total number of children will be **182**.
