Mayor Edward Kennedy
Lowell City Hall
375 Merrimack Street
Lowell, MA 01852

Dear Mayor Kennedy,

Due to the increasing capacity needs of the Lowell Public Schools, I do not foresee any scenario where the Lowell High School 1922 Building located on Kirk Street could be declared as surplus should it ever be vacated as a result of LHS moving to a new site on Cawley stadium.

Listed below are some of the possible uses for the Lowell High School 1922 Building located on Kirk Street:

- Central Office
- CSA Day School
- Alternative School
- STEM Middle School Expansion
- Early Childhood Center
- Elementary School site for the Moody and/or Washington Schools to provide more square footage to allow for handicap accessibility and larger classroom, gymnasium, and cafeteria spaces.

If the building should ever become available, a task force will be put in place with the purpose of exploring the best way to utilize this facility in order to reduce costs and alleviate anticipated capacity challenges.

Sincerely,

Salah E. Khelfaoui, Ph.D.
