Dear Mr. Geary;

My name is Alison Laraba and I reside at 116 Fetherston Ave, Lowell, MA 01852. My telephone number is 978 441-2473. I would like to register to speak at the City Council Meeting of November 14, 2017. I would like to address the council on the topic of Public Service to the City. Given the recent municipal election it is a timely topic and would focus on the engagement of residents in the process.

Please let me know if you need any additional information.

Kind Regards

Alison Laraba
