RE: Council Motion of 8.3 10/3/2017 C. Mercier

Req. City Mgr. Provide A Status Update Regarding The Property Located At 318 Andover Street

The City of Lowell Department of Public Works has worked with the City's Inspectional Services Division to address the property at 318 Andover Street. This past week, the Street Division of the DPW dispatched a crew to clean the lot.

Work completed included cutting and removing overgrowth, clearing debris and trash that had accumulated on the property, and hauling all trash. This work took place on November 14th. The Street Division will work with Inspectional Services to continue to monitor this property and to address any needs as they arise.

Costs incurred as part of the cleanup were forwarded to be attached to the lien on the property.

Feel welcome to contact me with any further questions on this matter.
