Dear Manager Murphy,

I had the opportunity of speaking with City Councillor Rodney Elliot recently who told me about an opportunity that I would be very interested in. We discussed the fact that there may be an opening on the Animal Advisory Committee for a city resident who owns a dog. I happen to be a responsible dog owning city resident who would be very interested in serving on this board.

Please know that I am also a city employee and Councillor Elliot didn't think that there would be a conflict, however, I'll leave that to your discretion. I would like the opportunity to speak with you about this if you feel the need.

Thank you for your attention to this matter.

Very truly yours,

Lisa Patenaude
