Re: Municipal Health Insurance

Dear Manager Murphy, Mayor Samaras and Members of the City Council:

I write as an update to C. Conway's motion requesting the City Council create a subcommittee on Municipal Health Insurance.

Following the meeting C. Conway and I further discussed the scope of the proposed Ad Hoc Committee and its relation to Plan E issues, specifically those involving the collective bargaining of employee and retiree's Health Insurance. The Ad Hoc Committee, if established, would gather information regarding this issue, but at no time would the Committee make a recommendation on issues pertaining to health care offerings. As such, there would be no conflict with Plan E.

Sincerely,

Christine P. O'Connor
City Solicitor
