RE: Your resignation letter

Dear Mr. Minch:

This letter acknowledges receipt of your letter in which you resign from the Sustainability Council.

I am filing your resignation and this acceptance thereof with the City Clerk, as required by law, and also forwarding copies as a "communication" to the City Council.

The City of Lowell appreciates your service on the Sustainability Council, and on its behalf I extend thanks.

Very truly yours,

Michael Q. Geary

Dear City Manager,

My name is Killian Minch and I have been a member of Lowell's Sustainability Council since December 2016. I have always been proud to promote and support the actions that me and my colleagues have and are planning to take, in order to promote an overall more salubrious city. However, recently my ability to provide my time and effort has been limited. I am currently a senior at Merrimack College and am taking five classes plus an internship. On top of also being involved in school clubs, I have recently enlisted in the Marine Corps and plan on shipping out within the next couple of months. Unfortunately, it has come to a point where I need to resign as a member of the council. I will always cherish my time spent with the wonderful council members and all the people that believe in our cause. I wish them nothing but success on their future endeavors and hopefully someday I can come back and rejoin the council.

-Respectfully
