PETITION FOR POLE AND WIRE LOCATIONS

North Andover, Massachusetts

To the City Council
Of Lowell Massachusetts

NATIONAL GRID requests permission to locate poles, wires, and fixtures, including the necessary sustaining and protecting fixtures, along and across the following public way:

Pawtucket St-National Grid to install new manhole 15 feet from approach on northeast side of Pawtucket Street Bridge on the eastside of the road, also install 5 feet of conduit from the new manhole to 10 feet from bridge approach to connect to conduit installed by bridge contractor. We will also relocate pole 19, 20 feet northeast of pole 20 on Pawtucket St. Also we will install approximately 100 feet of new 4-5" conduit to the new manhole. National grid to install approximately 40 feet of new 4-5" conduit from pole 17 to 10 feet from the approach of Pawtucket St Bridge to tie into conduit installed by bridge contractor at edge of the Pawtucket St Bridge. We will also remove existing pole 18.

Location approximately as shown on plan attached

Wherefore it prays that after due notice and hearing as provided by law, it be granted a location for and permission to erect and maintain poles and wires, together with such sustaining and protecting fixtures as it may find necessary, said poles to be erected substantially in accordance with the plan filed herewith marked – Pawtucket St-Lowell Massachusetts

23216120 June 14, 2018

Also for permission to lay and maintain underground laterals, cables, and wires in the above or intersecting public ways for the purpose of making connections with such poles and buildings as each of said petitioners may desire for distributing purposes.

Your petitioner agrees to reserve space for one cross-arm at a suitable point on each of said poles for the fire, police, telephone, and telegraph signal wires belonging to the municipality and used by it exclusively for municipal purposes.

ORDER FOR POLE AND WIRE LOCATIONS

In the City of Lowell Massachusetts

Notice having been given and public hearing held, as provided by law,
IT IS HEREBY ORDERED:

that NATIONAL GRID and be and it is hereby granted a location for and permission to erect and maintain poles and wires to be placed thereon, together with such sustaining and protecting fixtures as said Company may deem necessary, in the public way or ways hereinafter referred to, as requested in petition of said Company dated the 14th day of June 2018.

All construction under this order shall be in accordance with the following conditions:

Poles shall be of sound timber, and reasonable straight, and shall be set substantially at the points indicated upon the plan marked – Pawtucket St-Lowell Massachusetts.

23216120 Dated: June 14, 2018. Filed with this order

There may be attached to said poles such wires, cables, and fixtures as needed in their business and all of said wires and cables shall be placed at a height of not less than twenty (20) feet from the ground.

The following are the public ways or part of ways along which the poles above referred to may be erected, and the number of poles which may be erected thereon under this order:

Pawtucket St-National Grid to install new manhole 15 feet from approach on northeast side of Pawtucket Street Bridge on the eastside of the road, also install 5 feet of conduit from the new manhole to 10 feet from bridge approach to connect to conduit installed by bridge contractor. We will also relocate pole 19, 20 feet northeast of pole 20 on Pawtucket St. Also we will install approximately 100 feet of new 4-5” conduit to the new manhole. National grid to install approximately 40 feet of new 4-5” conduit from pole 17 to 10 feet from the approach of Pawtucket St Bridge to tie into conduit installed by bridge contractor at edge of the Pawtucket St Bridge. We will also remove existing pole 18.

I hereby certify that the foregoing order was adopted at a meeting of the City Council of the City/Town of _____, Massachusetts held on the _____ day of _____ 20 ____.
