Dear City Council

My Name is Wilmar Ventura I live at 29 Frothingham Street Lowell Ma < I have been a resident there for the last 2 years. we reside at the address which is a Two family home with my wife her cousin and grandparents who will be on vacation and staying at the home for a month or so. We also rent to a couple that has their two brothers and children living with them.

My watching and hearing of City council meeting calling my home a dormitory or boarding house and that the property is un kept absolutely makes me sick I am petitioning you to speak in front of the council and let me be herd my life and my Homestead has been spoken of on several occasions and I have never been allowed to voice my opinion I respectfully request the permission to speak at the AUG 14 2018 meeting

Sincerely
