Donation from the Daly Group

Re: Donation-The Daly Group

The Day School and the Family Resource Center were recently notified by the Daly Group that they have each been selected to receive a donation of a defibrillator, worth a total of \$2,000. According to MGL, all schools are required to have defibrillators on the premises. Additionally, the Daly group is donating office furnishings as detailed in the attached document.

I recommend the Lowell School Committee vote at the regular meeting of August 15, 2018 to accept this donation and send a letter of acknowledgement and thanks to the Daly Group.
