September 28, 2018

Dear Superintendent Durkin and School Committee Members,

We are respectfully requesting the approval of an offer of a donation for a Laboratory Refrigerator from Brendan Flynn of the City of Lowell Health Department for the Freshman Academy Science Department.

We would like permission at Lowell High School to accept the donation. There will be no cost to the district and it will be delivered by the City of Lowell.

Thank you for your consideration of this request to accept the donation at our school.

Sincerely,

  
Marianne Busteed  
Head of School
