REFERENCE: OVERHANGING SIGNS – 18 HURD STREET

Dear Mr. Geary:

I am seeking City Council approval to reface two (2) existing overhanging signs for Salem Five at 18 Hurd Street. I understand that City Council approval is required as the signs overhang a public way and that insurance is also required. The attached sign design has been approved by the Historic Board and your assistance in placing this on the City Council's next agenda to start this process would be much appreciated.

Thank you for your assistance in this matter and if you have any questions, please do not hesitate to contact me at (617) 212-2367.

Sincerely,

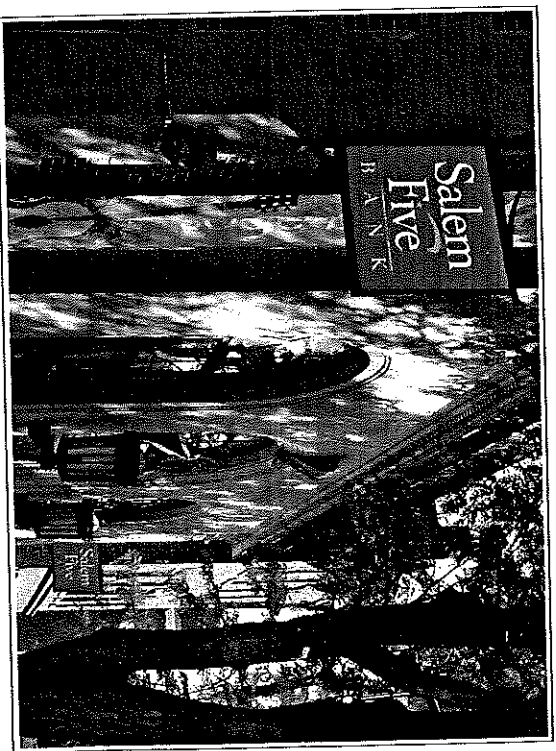

Jeff Sarra
