**RE:** 2018 Wheelabrator Community Gift

**Date:** October 17, 2018

As you know, Wheelabrator Technologies (WTI) operates a local waste-to-energy facility that sustainably processes a portion of the City's unwanted municipal solid waste. Through this ongoing partnership, WTI generously gives back to member communities each year in the form of a community gift. We would like to donate this year's community gift in the amount of \$5,000 to the 2018 City of Lights Holiday Celebration.

Sincerely,

John Farese
