RE: C. Elliott - Req. City Mgr. appoint a public safety personnel/security professional to the School Building Committee to ensure safety issues are addressed at high school.

In response to Councilor Elliott's motion, I am appointing Sgt. David Peaslee, who is in charge of the Lowell School District's School Resource Officer program, and member of the Lowell Police Department, as a member of the School Building Committee. Sgt. Peaslee will be able to provide valuable insight into the safety and security at Lowell High School now and looking into the future.

In addition to Sgt. Peaslee, I am also appointing Jeffrey Wilson and Benjamin Opara to the School Building Committee. Mr. Wilson has been a member of the Disability Commission in the City for many years and will be able to give the School Building Committee a voice for the disability community. Mr. Opara is an active voice in our community and will be able to provide valuable perspective to the committee.

Please do not hesitate to reach out with any further questions.
