MEMORANDUM

TO: Eileen M. Donoghue, City Manager

FROM: Diane N. Tradd, Assistant City Manager/DPD Director

SUBJECT: PETITION OF 10/09/18 BY BERNETTE JOSLIN  
REQUEST HANDICAPPED SIGN AT 142 JEWETT STREET

The Transportation Engineer conducted a field visit to the above mentioned location, as well as a review of the current traffic ordinances to determine if a handicapped parking sign could be installed at this location.

Current City of Lowell ordinances contain a handicapped spot at this location. The ordinance (266-55 Reserved Dwelling Parking Space) reads, in part:

<b>Name of Street</b>	<b>Side</b>	<b>Location</b>
Jewett Street (142)	West	Beginning at a point 49 feet south of the southerly edge of pavement of Richardson Avenue and running southerly 20 feet along Jewett Street

According to measurements in the field and City GIS data (see attached), the remaining road frontage for 142 Jewett Street is approximately 8 feet prior to the curb-cut for the driveway, which is insufficient room for two parking spots at this address.
