Comments

Underground conduits will be installed under dirt off the road on the Western side of Quebec Street.
 Restore disturbed pavement areas with asphalt and dirt areas with loam and seed. Obtain trench permits from City Engineering office.
 Work outside ROW requires coordination with property owners and easement coordination.
 Manholes to be flush with grade.

Petition of the NATIONAL GRID
OF NORTH ANDOVER, MASSACHUSETTS
For Electric conduit Location:

To the City Council of Lowell Massachusetts

Respectfully represents the NATIONAL GRID of North Andover, Massachusetts, that it desires to construct a line of underground electric conduits, including the necessary sustaining and protecting fixtures, under and across the public way or ways hereinafter named.

Wherefore it prays that after due notice and hearing as provided by law, it be granted permission to excavate the public highways and to run and maintain underground electric conduits, together with such sustaining and protecting fixtures as it may find necessary for the transmission of electricity, said underground conduits to be located substantially in accordance with the plan filed herewith marked – Quebec St - Lowell Massachusetts

The following are the streets and highways referred to:

24948504 Quebec St - National Grid is installing 2-6 inch conduit from pole 1 in Quebec St. 17 substation to new manhole 1 on Quebec St., and installing 6-6 inch conduit from manhole 1 to new riser pole 10 on Maple St.

Location approximately as shown on plan attached

NATIONAL GRID
BY Dave Johnson
Engineering Department

Dated: January 11, 2019

Lowell

ORDERED:

Notice having been given and public hearing held, as provided by law, that the NATIONAL GRID be and it is hereby granted permission to excavate the public highways and to run and maintain underground electric conduits, together with such sustaining and protecting fixtures as said company may deem necessary, in the public way or ways hereinafter referred to, and to make the necessary house connections along said extensions, as requested in petition with said company dated the 11th day of January, 2019.

Said underground electric conduits shall be located substantially in accordance with the plan filed herewith marked -Quebec St. - Lowell Massachusetts

The following are the public ways or part of ways along which the underground electric conduits above referred to may be laid:

24948504 Quebec St - National Grid is installing 2-6 inch conduit from pole 1 in Quebec St. 17 substation to new manhole 1 on Quebec St., and installing 6-6 inch conduit from manhole 1 to new riser pole 10 on Maple St.

I hereby certify that the foregoing order was adopted at a meeting of the
