RE: Petition to remove handicapped spot at 400 Gorham St (3 Auburn St)

To whom it may concern,

I am requesting that the exiting handicapped spot located at 400 Gorham St (on Auburn St) be removed. The spot is not currently being utilized and is located in a neighborhood with a very limited amount of available parking. The parking spot is located in front of a two family house (400 Gorham St) which currently has two separate dedicated driveways (see attached photos). As so there should be no need for a dedicated handicapped spot on Auburn St. As previously mentioned the spot is also always empty and not being used as intended. This spot could be used for the neighborhood which has very limited parking.

Any questions please call (857) 206-9801

Thank you,

Luana Mazon
