MEMORANDUM

TO: Eileen M. Donoghue, City Manager 

FROM: Diane N. Tradd, Assistant City Manager/DPD Director

SUBJECT: MOTION OF 5/14/19 BY COUNCILOR CIRILLO
REQUEST CITY MANAGER HAVE THE PROPER DEPARTMENT
REPLACE THE 'NO LEFT TURN' SIGN FOR ELM STREET IN FRONT
OF THE X-TRA MART GAS STATION ON GORHAM STREET

The Transportation Engineer and members of the Lowell Police Department performed a site visit to this location. There are dedicated left turn lanes from Highland Street and Elm Street onto Gorham Street. Although there is a green straight arrow signal for the signal at Gorham onto Highland Street, there is not a City of Lowell ordinance restricting left turns at this location. The Sign Department cannot install a sign that is not supported by an ordinance. The Transportation Engineer does not recommend restricting left turns at this location.
