PETITION FOR POLE AND WIRE LOCATIONS

North Andover, Massachusetts

To the City Council
Of Lowell, Massachusetts

NATIONAL GRID requests permission to locate poles, wires, and fixtures, including the necessary sustaining and protecting fixtures, along and across the following public way:

Old Ferry Rd. – National Grid to install (1) SO pole on Old Ferry Rd. beginning at a point approximately 759 feet south of the centerline of the intersection of Varnum Ave. and Old Ferry Rd. Install (1) new pole 4-1 to allow for the installation of a temporary 3-phase overhead transformer bank that will be used as temp power for the new Market Basket construction at 90 Old Ferry Rd., Lowell, MA.

Location approximately as shown on plan attached.

Wherefore it prays that after due notice and hearing as provided by law, it be granted a location for and permission to erect and maintain poles and wires, together with such sustaining and protecting fixtures as it may find necessary, said poles to be erected substantially in accordance with the plan filed herewith marked – Old Ferry Rd. - Lowell - Massachusetts.

28054262

Also, for permission to lay and maintain underground laterals, cables, and wires in the above or intersecting public ways for the purpose of making connections with such poles and buildings as each of said petitioners may desire for distributing purposes.

Your petitioner agrees to reserve space for one cross-arm at a suitable point on each of said poles for the fire, police, telephone, and telegraph signal wires belonging to the municipality and used by it exclusively for municipal purposes.
