

Successful implementation of any long-range plan requires investment by both public and private entities within a community, including city departments, elected officials, businesses, schools, neighborhood organizations, and many others. While the City intends to take the lead in implementing the ambitious vision laid out herein, and facilitate the partnerships necessary to ensure that its goals are achieved, it hopes that the work of building a sustainable future for Lowell will be largely collaborative in nature. The following pages present a plan for how various entities throughout the City may best contribute to the implementation process.

IMPLEMENTAÇÃO

Una implementación exitosa de cualquier plan de largo plazo requiere una inversión de entidades públicas y privadas dentro de una comunidad, incluyendo los departamentos de la ciudad, oficiales electos(as), negocios, escuelas, asociaciones de vecinos(as), y muchas más. Mientras la Ciudad pretende asumir el liderazgo para emprender e implementar la visión acá escrita, y facilitar las asociaciones necesarias para asegurar que las metas se logren, se espera que el trabajo de construir un futuro sostenible para Lowell será de una naturaleza colaborativa. Las siguientes páginas presentan un plan de cómo varias entidades en toda la ciudad pueden mejor contribuir a la implementación del proceso.

O sucesso da implementação de qualquer plano a longo-prazo exige investimento por ambas entidades públicas e privadas na comunidade, incluindo departamentos públicos da cidade, autarcas, funcionários públicos, empresas, escolas, organizações de bairro e inúmeras instituições públicas e privadas. Enquanto a cidade pretende assumir a liderança na implementação da visão ambiciosa estabelecida neste documento e facilitar a colaboração necessária para garantir que os objetivos deste documento sejam alcançados, espera que este projecto de construir um futuro sustentável para Lowell será amplamente colaborativo por natureza. As páginas seguintes apresentam um plano de como várias entidades em toda a cidade podem contribuir melhor para o processo de implementação.

ELECTED OFFICIALS

Provide leadership and policy direction to support the shared vision of Lowell as a sustainable city by listening actively to stakeholder concerns, taking a lead in civic education, increasing presence at community meetings and events, supporting efforts to ensure municipal fiscal responsibility and accountability, advocating for the allocation of state and federal resources to address identified community priorities, and striving to diversify participation in public decision-making.

CITY MANAGER'S OFFICE

Guided by the City Council, implement and disseminate information regarding city policies and fiscal practices, proactively address community concerns, and manage and retain an effective, efficient, and professional administration with qualified and dedicated staff. In partnership with the Department of Planning and Development and other appropriate bodies, identify metrics that can be used to motivate implementation of the plan, track progress, document successes, identify areas for further or corrective action, and communicate this information to internal and external audiences as the plan is implemented.

LOCAL MEDIA

Provide Lowell and the Merrimack Valley Region with accurate and timely reporting, complementing efforts initiated by the City administration, elected officials, and other entities to highlight local accomplishments as well as opportunities for improvement.

PRIMARY & SECONDARY SCHOOLS

Cultivate schools as diverse, pedestrian-accessible learning laboratories that highlight environmentally sustainable practices, foster community connections and education, create a culture of high expectations, and build a shared sense of ownership over student achievement.

CULTURAL & HISTORIC INSTITUTIONS

Capitalizing on the City's rich historic and cultural resources, continue to invest in community-driven creative place-making efforts that build upon the City's identity as a unique arts and cultural hub.

NEIGHBORHOOD & CIVIC ORGANIZATIONS

Strive to increase the public sense of civic duty through outreach and education, identification and communication of community challenges and opportunities, active collaboration with public and private entities to improve quality of life and protect neighborhood character, and encouragement of neighborhood level resource-sharing that results in greater public trust and community pride.
