Diversion Services

The City of Lowell offers eligible participants access to safe and reliable transportation to support their transition towards stability and independence. Our social worker will work as a liaison between homeless individuals and family or friends to make relocation to a supportive living-situation possible.

CRITERIA

- Individual must be homeless
- Lowell Health Dept. will cover the cost of transportation including, Uber, bus, or train.
- Each participant must agree to a non-return policy and can only be diverted once in a calendar year.
- In some cases, diversion can occur outside of the city or state.
