NOTICE

To: City of Lowell Residents
From: Paul Pires, Superintendent of Distribution
Date: May 2022
Subject: Notice of Water System Maintenance

In our continuing efforts to deliver clean and safe water, the Lowell Regional Water Utility would like to inform you that we will be performing water main flushing throughout the City starting **May 23, 2022**. Please note the following dates where flushing will occur:

BELVIDERE AREA

- **5/23/22-5/27/22: Perry St. to Nesmith St. - Merrimack River to Knapp Ave.**
- **5/30/22-6/3/22: Nesmith St. to Wentworth St. - Merrimack River to Rogers St.**
- **6/6/22-6/10/22: Boylston St. to Wentworth Ave. -Rogers St. to Bishop St.**
- **6/13/22-6/17/22: Wentworth Ave. to Luce St. -Merrimack River to Rogers St.**
- **6/20/22-6/24/22: Luce St. to Clark Rd. -Merrimack River to Rogers St.**
- **6/27/22-7/1/22: Clark Rd. to Tewksbury line - Merrimack River to Country Club Dr.**

The goal of this program is to facilitate water turnover and to clean the inside of the pipes, improving the overall condition of the infrastructure and the quality of water delivered to consumers throughout the City of Lowell.

While this maintenance is being performed in your area, you may temporarily receive discolored water and/or a reduction in water pressure. This is caused from the disruption of naturally occurring sediment within the water pipe and is **NOT** harmful. The discoloration can be alleviated by running the **cold water** in your tub or sink; ensure your water is running clear prior to resuming the use of other faucets. If the problem persists, please contact the Lowell Water Utility at 978-674-4242 and we will work with you to resolve the issue as soon as possible.

We appreciate your cooperation as we work to improve water quality and distribution reliability for the City of Lowell.

Sincerely,

Paul Pires
Superintendent of Distribution
