## Application for Driveway Permit

I, \_\_\_\_\_, the undersigned owner of property at \_\_\_\_\_, am petitioning for a driveway opening(s) abutting said property to be constructed in accordance with City of Lowell specifications.

This property is:

Residential: \_\_\_\_\_

Number of Units: \_\_\_\_\_

Commercial: \_\_\_\_\_

Zoning: \_\_\_\_\_

Plans must show scale, property lines, dimensions, lines of adjoining property and any existing pole, post, hydrant, catch basin, tree or other structure near area of proposed driveway. If the City has to remove any property such as a parking meter, street light pole or underground facilities the petitioner will be required to pay the cost. The petitioner will be notified of the said cost, which must be paid before the permit is issued.

The design of all driveways shall conform to the standard specifications of the Public Works Department. A contractor hired by the property owner to install the driveway opening must carry a street bond with Public Works Department.

The design of all parking lots must include stormwater calculations and a plan showing proposed parking spaces. The striping design is part of this approval.
