Article 21. Change Order

The Contractor may, at any time, propose in writing to the City for acceptance or denial, modifications to the Contract documents, which will benefit the City. The City shall review the Contractor's proposal and may request such modifications. Denial of a proposed modification shall neither provide the Contractor with any basis for a claim for damages nor release the Contractor from contractual responsibilities.

If the Change Order issued by the City causes an increase or decrease in the Contractor's cost to provide the services and/or requires a change to the schedule that, in the City's reasonable discretion, is determined to be necessary, an equitable adjustment will be made and incorporated into this Agreement.

Upon receipt of a Change Order issued by the City, the Contractor shall within ten (10) business days of receipt of the Order give written notice (including preliminary cost and time estimates) to the City stating the Change Order to be either an alteration to, deviation from, addition to, or deletion from the Contract. The City shall not accept any responsibility whatsoever for Change Order work performed by the Contractor without proper authorization by the City. All Change Orders shall be executed in accordance with the terms and conditions of the Contract. All executed Change Orders shall constitute the entire agreement between the City and the Contractor with regard to any and all costs and time extensions related to Change Order work.

Article 22. Samples

The Purchasing Agent may require the submission of samples either before or after the award of a contract, at no charge to the City, in order to ascertain whether or not a product will be suitable for the purpose for which it is intended. If it is specifically stated elsewhere in the bid documents that samples are required, full size samples must be submitted not later than the official BID OPENING. Failure to submit said samples may be regarded as a basis for rejecting a bid. Samples may be impounded until satisfactory completion of the contract. Otherwise all samples must be called for by the bidder within thirty (30) days of the award of contracts or said samples will be presumed abandoned and the Purchasing Agent will dispose of them as he sees fit.

Article 23. Compliance with Laws, By-Laws and Regulations

The Contractor shall keep fully informed and shall comply with the provisions of applicable federal, state, and municipal laws, rules, and regulations that in any manner regulate the Contractor's performance of this Contract and those engaged or employed with the services herein described, other than any such laws, rules and regulations that relate to City's own operations. The Contractor shall indemnify, protect, defend, and save harmless the City and its officers, agents and employees harmless from all fines, penalties, and liabilities imposed upon the City under any such laws, rules, and regulations by any public agency, authority or court having jurisdiction over the parties hereto when the imposition of same is attributable to the failure of the Contractor to keep fully informed and to comply with its obligations in this regard, provided that if any public agency, authority or court seeks to impose such fine, penalty or liability on the City, the City shall promptly notify the Contractor and allow the Contractor, in consultation with the City, to object to and defend such imposition.

Article 27. Payment Schedule

Bills in triplicate for the amount of Materials and Supplies furnished by the successful bidder under the contract to be entered into should be submitted before the first day of the month in which payment is to be made to insure payment on the twentieth day of the month, except that where the time conditioned in the bid for the allowance of discount differs from the above successful bidder agrees to submit bill to the Purchasing Agent in sufficient time for such discount to be taken advantage of by the City which, in any event, shall not be less than ten days from the submission to the Purchasing Agent of such bills.

If the Contractor makes any such assignment, pledge or other transfer without the written consent of the City, the Contract shall be voidable at the election of the City. The City's consent to any such assignment, pledge or other transfer may impose such additional conditions thereon as may be deemed necessary to ensure the performance of the terms of the Contract by the assignee. Moreover, unless otherwise agreed to in writing by the City, any transfer by the Contractor shall not release the Contractor of its liability under the Contract.

Article 29. No Waiver

None of the provisions of this Agreement, unless otherwise specified, shall be considered waived by either party hereto unless such waiver is in writing and signed by both parties. No such waiver shall be construed as a modification of any of the provisions of this Agreement or as a waiver of any past or future default or breach hereof, except as expressly stated in such waiver.

Article 30. Indemnification of the City

The Contractor agrees to indemnify, save harmless, and defend the City and all of its officers, agents, and employees from and against any and all third party suits, claims, or proceedings ("Claims"), and any losses, damages, charges or expenses, whether direct or indirect, and liability of every name and nature related to such Claims ("Liabilities") for or due to any loss or injury to persons or damages to real or tangible property to the extent caused by the Contractor or its employees, subcontractors or agents.

Article 31. Termination Of Contract

Default Termination.

The City may, without prejudice to or waiver of any other right or remedy available to it, terminate or suspend this Agreement, in whole or in part, either immediately upon receipt of such notice by the Contractor or upon written notice to the Contractor seven (7) days prior to the effective date of such termination or suspension for an "Event of Default" as defined hereunder.

Termination for Convenience.

The City may, in its sole discretion, terminate all or any portion of this Agreement or the work required hereunder, at any time for its convenience and/or for any reason by giving written notice to the Contractor thirty (30) calendar days prior to the effective date of termination or such other period as is mutually agreed upon in advance by the parties. If the Contractor is not in default or in breach of any material term or condition of this Agreement, the Contractor shall be paid its reasonable, proper and verifiable. Such payment shall be the Contractor's sole and exclusive remedy for any Termination for Convenience, and upon such payment by the City to the Contractor, the City shall have no further obligation to the Contractor. The City shall not be responsible for the Contractor's anticipatory profits or overhead costs attributable to unperformed work.

Article 32. Force Majeure

Neither party hereto shall be in default in the performance of its obligations to the extent that the performance of any such obligation is prevented or delayed by a Force Majeure Event. Should Contractor's services be delayed by a Force Majeure Event, the Agreement and Contractor's schedule for completion of tasks affected by such delay shall be extended. "Force Majeure" or a "Force Majeure Event" is an event beyond the control of a party and not due to the act or omission of such party, which materially and adversely affects the party's ability to meet its obligations under the Agreement and which event or the effects of the event would not have been anticipated and avoided by a prudent party acting commercially reasonably. Force Majeure Events may include, but are not limited to, Acts of God; acts or failures to act of government agencies and delays related to the City in either their contractual, sovereign or regulatory capacities; fires, floods, earthquakes, epidemics quarantines, strikes, wars, riots, terrorism, interruptions of energy supply or civil disturbances. Within thirty (30) calendar days after the last day of

delay, the Contractor shall furnish the City with detailed information concerning the circumstances of the delay, the number of days actually delayed, the appropriate Agreement references, and the measures taken to prevent or minimize the delay. Upon review of the detailed information concerning the delay, the City shall assess the impact the delay may have on price and schedule of the work and modify the Contract as needed.
